New Beginnings . . .

NEW BEGINNINGS . . . THE RIGHT COMBINATION

Excitement! Uncertainty . . . These were the feelings of all who walked through the halls of Manor High School on the first day of school in September 1992. This was a new beginning for everyone. Cradock High School closed its doors after serving the city of Portsmouth for over thirty-five years. It's students and faculty and staff were dispersed between Manor, Norcom and Churchland High Schools. It was a sad time for the Cradock family to have to say good-bye to one another but the prospect of going to another school was also exciting and challenging. A thousand thoughts ran through the students minds . . . Will the Manor students like us? Accept us? Will the same courses be offered at Manor as they were at Cradock High School? What will the new teachers and administrators be like?

The first days went quickly and smoothly. New friendships and relationships began to bloom. Of course, the new students and faculty had a tough time finding their way around the school because Manor is so big! But with the help of the friendly Manor students, everyone soon felt like they "belonged."

There was a new administrative team aboard. Leading the school was Mr. Lindell Wallace. He was assisted by Mrs. Rosa Well-Garris, Ms. Lynn Briley and Mr. Joseph Pociask. There were also new guidance counselors, teachers, custodians, cafeteria workers, and bus drivers. We were all in this together!

To make the Cradock students feel like they had brought a part of their school with them, the Manor library was renamed the "Admiral Library."

Pretty soon football games came and went, the holidays passed, and exams were upon us. Before we left for the holidays, a bit of news from the superintendent's office kept everybody buzzing with uncertainty again. The hallways of Wilson High School were going to close their doors as a high school and Manor would lose it's name after this year. Manor High School would become Wilson High School. Of course, change is never easy, but we are all sure that whatever the future holds, the Manor family will open its arms warmly to any changes. You can't have progress without change! The '90's for Portsmouth offers challenge and new and exciting things. Whether we are the Mustangs, the Presidents, or the Admirals, we know one thing for sure . . . it will be a winning combination! (As of this printing, it is uncertain what the school colors and mascot will be for Manor High School for the '93-'94 school year.)

Mr. Lindell Wallace

Seniors Have A Winning Combination Of Class Leaders, Reps, And A Class Act Sponsor

Seniors! Seniors! Seniors!

Quite a few things happened with the Senior Class of 1993. Getting our cap and gown pictures taken was like a trial run of graduation. Having the graduation attire on made some nervous, some happy and some sad. One thing that we were all pretty unhappy about, at first, was the cost of our senior dues. They were $119, but in the long run, it really was fair because it covered almost all of our senior expenses. During the 1993 school year, the SCA homeroom representatives sponsored events such as a Thanksgiving food drive to help feed the less fortunate, a children's Christmas party for underprivileged children, and the senior assembly for the graduating members of the 1993 Manor High School family! The senior government classes did their part in the presidential election by preparing speeches, debates, posters and sponsoring a mock election for all Manor students. A lot of seniors were able to vote and most of them exercised this right. Seniors showed their school spirit and loyalty by participating in the sit in. The purpose was to show our feelings about the school name change. By the end of the first semester, some seniors knew that the second semester wouldn't be so tough and others knew it would be a struggle. Waiting and wanting graduation night to come made it get here a lot quicker than any of us ever expected. Now the graduates of the last graduating class of Manor High School only have memories of high school and aspirations for their future.

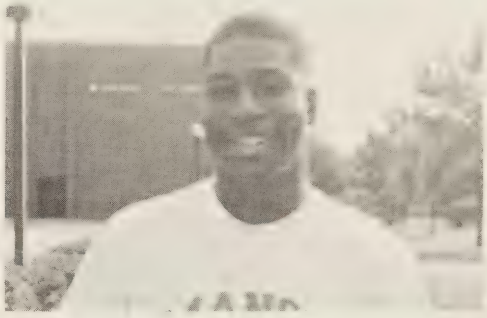
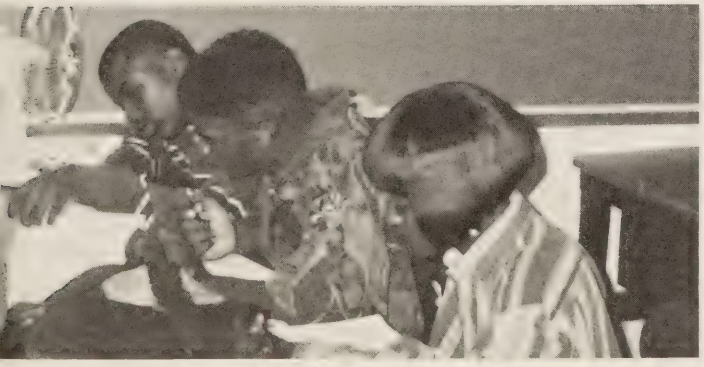
Manor High School





Manor's '92 Presidential

This year, Manor High's Social Studies Department created and posted campaign posters for the candidates of their choice for the 1992 Presidential Election. Students also went to various English classes to promote their selected candidate, his ideas and views for the election. Students throughout Manor were also given a chance to vote for the President, but only if they had registered. According to reports from Manor's Social Studies Department, 64% of students registered.

Manor held its mock election on October 28. The Commons was where the voting was held. The Social Studies Department organized the voting process like the actual voting event. Computers recorded the votes for each candidate. Bush received 154 votes, Perot received 132 votes and Clinton was the overwhelming victor with 379 votes.

Manor High was also the City-Wide Election Headquarters. All high schools and other Portsmouth Public Schools gave their results to Manor to display in Manor's Commons area. Clinton received a 64% overall victory in Portsmouth.

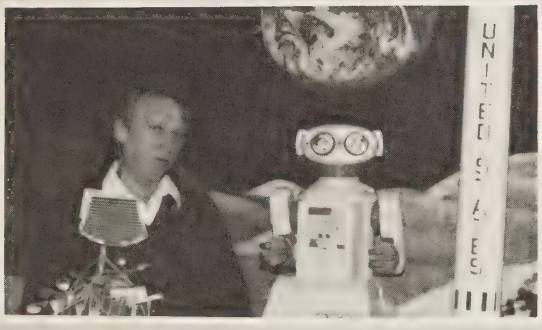
He's Outta This World

Mr. Wizard is on the lookout!

Just A Little History

Manor High School is unique in that it is the only area school that has its very own planetarium. It has been in operation since the summer of 1972 when Manor opened its doors for the very first time. The director of the planetarium is Mr. Mike Nold who has been its director for the past nineteen years. Each year students from the Portsmouth Public Schools visit it from pre-kindergarten through the twelfth grade. This is an average of 10,000 students. During these tours Mr. Nold, dressed as Mr. Wizard, takes the students for an out of this world experience. This is the last year the planetarium will be at Manor High School. The plans are for it to operate in downtown Portsmouth.



Just a few of his toys.

Mr. Nold preparing a lesson for the visitors to the planetarium.

Astronaut Mike Nold!

The Marching Mustangs

The band was directed by Ms. Sandy Davis. They had a successful year this year. The band placed third in the Fish Bowl Parade. They boosted school spirit by performing at all Manor football games during halftime. The Marching Mustangs also participated in the Turkey Bowl Parade and Norfolk State Homecoming. One of its very own, Rico Horton, was selected to perform for President Clinton during the inaugural week of festivities. A job well done Marching Mustangs!

MANOR FOOTBALL '92

The varsity football team ended their season with a 4-6 record. The start was not difficult in combining players from Cradock. It took a few games and many combinations to get starters for the different positions. Many players had been under three different head coaches, which meant three different philosophies of the game they had to learn. Many of the players earned city and district honors:

Jay Clarke: 2nd All Southern District — Receiver
1st Team All-City Receiver
2nd Team All-City Kicker

Tilmon Lewis: 1st Team All Southern Defensive Tackle
1st Team All-City

Rudy Howard: 2nd Team All-City Defensive Back
Honorable Mention Southern District — DB

Otis Spivey: 2nd Team All-City Linebacker
Honorable Mention Southern District — DB

Almane Cherry: 2nd Team All-City — LB

The Varsity Mustangs worked hard and never showed signs of quitting. They will be the team to beat next year.

Athletic Director David Willet and Varsity Football Coach Jenson Baker.

J.V. Football Looks Forward

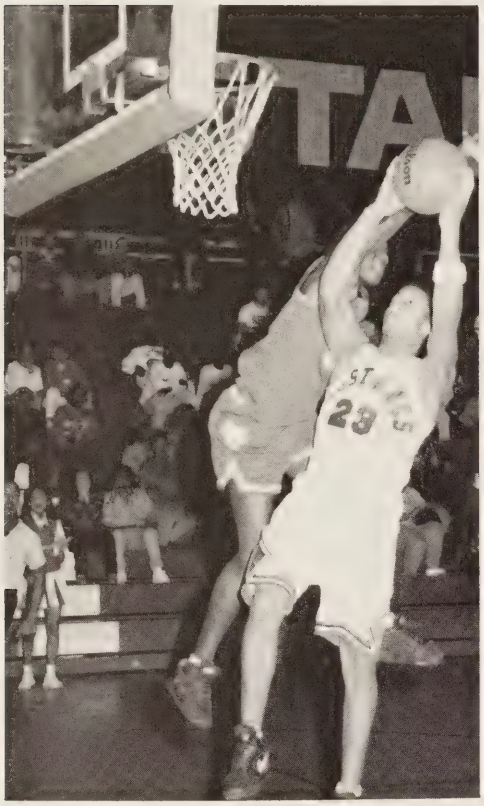
RECORD CITY: 1-2, DISTRICT: 1-6, OVERALL: 1-7

The Manor J.V. football team started the season with high expectations upon winning the first scrimmage and tying the second. As the season progressed, several key players were moved up to the Varsity positions. Throughout the season minor injuries kept at least two other starters from performing to their fullest potential. The result was an offensive line that constantly was gaining new faces, while four different players played quarterback. The defense also stumbled upon many changes. These changes played a key role in the lone victory over Wilson. Most of the players this season were inexperienced and had to learn a new defense and offense. Nearly half of the 1992 team will be moved up to Varsity next year.

. . . And Jay goes up for the two!

Who will get the rebound?

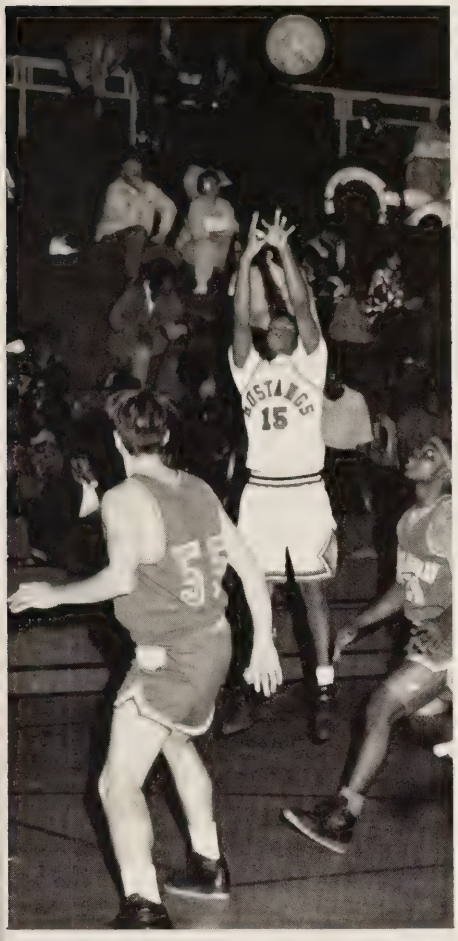


David Pitt on defense

Watch that tongue!

Just Do It!

Ronnie for an outside 3!



Varsity boys Basketball Team

The 1992-93 Varsity Boys Basketball team had a wonderful year. The team had an abundance of strengths. Two of the district's top scorers that returned from last year were Jay Clarke and Darrian Evans. The eight seniors on the team added maturity and depth to the squad. Overall the team's speed was fair, but particularly good on the front line. The team picked up William Herndon, a junior from Cradock when the school closed down, to help at the guard position.

They had a few weaknesses but nothing to interfere with the team's success. This year the team did not have a lot of tall players (none over 6'4") and they did not have a good perimeter shooting team. Ball-handling and directing a half-court offense was also a problem.

But in the end the team had consistently put forth a high effort and true desire to win. Another highlight was that no players were lost at exams due to poor grades and there were no discipline problems. The team did so well that they almost had a chance to be a legitimate contender in the Southeastern District Tournament. The team is coached by Tommy Kilpatrick.

The Boys JV Basketball team finished its season with a record of 6 wins and 7 losses. After the first two games the team won 6 consecutive games and had a district record of 3-0. Unfortunately semester grades prevented the participation of some key members of the team and the Mustangs lost their remaining 5 games. Those players that maintained eligibility and participated the entire season should be commended for their effort. They are listed as follows: Jason Wells, Robert Hargraves, Richard Deberry, Nicholas Clark, Geno Scott, Mike Whiting, Romac Chavis, and George Russell.

The Ladies ended the season with a 7-6 record, 4-4 in the district. After a very slow start the team managed to execute the offense as the defence intensified. The sophomore class of Latoya Owens, LaVonya Blowe, Wendy Wells and Jamie Dunn were the teams' strenghth at the beginning of the season. Teresa Seaborn and Jennifer Lawrence were defensive specialist. Christina Chandler who was injured at the beginning of the season came on and showed great promise the last few games. The season ended in their best performance of the season defeating Wilson 56-32, earning the Portsmouth City Championship Title.

Shooting For The Goal

The soccer team had alot to offer last year with the leadership of Stephanie Shaw, Susan Talbert and Michelle Rice. Desire Ferdon and Jennifer Fly show promise for the upcoming years. Coach Watson believes that the experience these players have will make the '93 Manor Soccer Team a team to contend with. Manor is among the only two Portsmourth Schools who has a varsity soccer team.

The team was coached by Mr. Wally Watson.

L to R: Arlise McSwain, Pamela Johnson, LaTasha Colander

The 1992-93 girls cross-country team consisted of Arlise McSwain, Pamela Johnson, LaTasha Colander, and Monica Rivera. Even though the team had only one victory, there were many standout moments. With the help of LaTasha Colander running in the top five in the country this team did very well with the few runners that participated. Latasha Colander is sponsored by Nike.

The Boy's Cross Crountry team showed great promise this year as they struggled to remain as one of the top eight teams in the district. Alphonso was one of the leading runners on the cross country team. He also showed great promise when it came to being on the top. Next year's team is looking pretty good according to the results from this year's scores.

The 1992 Manor Golf Team has been coached by Mr. Mike Pullen for the past seven years. Four of this year's team qualified for the Eastern Regional Tournament. They were Nicholas Peironi, Doug Rorrer, Brad Yoder, and Aaron Knight who was the first freshman in eight years to qualify. Senior Nicholas Peironi was first in Portsmouth and third in the Southeastern District. The team record was 11 wins and 5 losses. Its home course was Sleepy Hole Park. Manor's team was composed of 4 seniors, two juniors, and 2 freshmen.

The 1992-93 volleyball team consisted of 10 people. Even though it wasn't a large group, they worked hard as a team. Goals set were to qualify for district tournament which was not achieved because there was not a great deal of experience. The players did receive recognition for their hard work. Leslie Livesay made 2nd Team All District. Laura Chambers and Sarah Jackson received Honorable Mention All District. Some strengths of the team were the leadership of Laura Chambers and Leslie Livesay and blocking improved as the season progressed. Weaknesses included serving with consistency and passing. The team was coached by John Thomas.

Is Thomas in control or what?

This year's wrestling team was coached by Tony Reynolds and was assisted by Gaskins Reynolds. The team had a record of 8-11-0. They placed third in the PIT and second in the Comet Tournament held at Granby High.

The Manor wrestling team had nine returning starters. The wrestling team was headed up by captains Thomas Culpepper, Alphonzo Davis, Daniel Robinson, and Chris Reardon. Chris gained a state record for the fastest pin.

Tim Ross placed sixth in the districts. Alphonzo Davis, a junior, held on to fifth at districts. We hope he can be in the top four next year. Steve Rahimpour, only a freshman, took control and got fourth at districts. Richard Smith, a sophomore, placed sixth at districts. Roger Morgan, a sophomore, also placed sixth at districts.

We had a young team this year and the coaches are looking forward to an even better season next year. Congratulations guys and coaches!!

Southern District Record: 4-4
District Finish: 5th Place

The girls tennis team had a successful year. Our girls were very competitive and were only outclassed in one match against Great Bridge — District Champion. Coach Claud was pleased with our success since only one girl, Sylvia Petrosian, had more than two years experience. The seniors, Debbie Glenn at #2 and Kelly Wilder at #3, finished both with a 7-2 record. Debbie Glenn became the first Manor player named to the All District Team. Sylvia Petrosian, who is a foreign exchange student, played at #1 and Sophomore, Mandy Monell, turned in a solid performance at #4. Newcomer Suzanne Thomson (Sen.) played at #5 and Mandy Monacelli (Soph.) played at #6. Krista Teller (Jr.) and Jamie Dunn (Soph.) both played #3 Doubles. All improved during the year and contributed to the team's success.

Smiling Jamie.

Boys Tennis Has A Rebuilding Year

Standing: Coach Claud, Les Moseley, Jeff Wharam, Jeff Leeche. **Kneeling**: Chad Lille, Danny Edwards, Shelton Mansfield.

Boys Tennis 1992
This was a rebuilding year after graduation took five players out of the top six from a team that finished second in 1991. Playing at #1 was Sophomore Jeff Leeche, at #2 was Jeff Wharam (Jr.), at #3 was Shelton Mansfield (Sr.), at #4 was Les Moseley (Jr.), at #5 was Joe Tuck (Soph.), and Chad Lille (Sr.), at #6. Danny Edwards & Carl Peterson were alternates. The team finished with a record of 3-7 in the district but the team had only two players with competitive experience.

Les is putting all his power into this serve.

"Is my hair o.k.?"

Manor's girls indoor track team started off the season by showing great initiative. Manor was fourth in the district and sixth in the region. Their leading runner was Latasha Colander. She came out on the top in the 55 meter hurdles and also came out on the top in the 300 meter dash. This outcome is pushing the team closer and closer to making them the number one seed in the district. The team is coached by Mr. John Crute.

Ghoulin' Around

Although Halloween was on a Saturday this year, that did not stop the students from showing their school spirit the day before. Students came dressed in an array of costumes, from transvestites, like Lionel, to cows, like Stephanie, to Old Hags, like Aaron. This year really showed the creativity of the students.

The drama class put on a play for all English classes, "The Halloween Spell". The play was a huge success. It was directed by a new teacher here at Manor High — Ms. Ruth Robertson. The play was about a rainy spell on Halloween. It showed that Halloween would just not be the same if it rained on Halloween. The Drama Club displayed great talent, as usual. The spirits were alive and well this Halloween at Manor High.
